**DECLARATION OF R. WILLIAM BOWEN IN
SUPPORT OF OPPOSITION TO MOTION FOR
ENTRY OF FINAL JUDGMENT UNDER
RULE 54(B)**

Date: July 30, 2001
Time: 10:30 a.m.
Dept.: Courtroom 1

1 I, R. William Bowen, declare as follows:

2 1. I am a member of the State Bar of California and admitted to practice before this
3 Court. I am one of the counsel of record in this action for plaintiff Gen-Probe Incorporated.

4 2. On June 22, 1999, Gen-Probe entered into a preliminary agreement with defendant
5 Vysis, Inc. for a royalty-bearing license of United States patent number 5,750,338 ("the '338
6 patent"). On August 11, 1999, Gen-Probe entered into a final agreement with defendant Vysis, Inc.
7 for a royalty-bearing license of the '338 patent.
8

9 3. On December 21, 1999, Gen-Probe notified Vysis in writing that Gen-Probe
10 believed the '338 patent was invalid and, further, did not cover any of Gen-Probe's products. At
11 the same time, Gen-Probe notified Vysis in writing that it was filing this action to seek a judicial
12 determination of the rights and obligations of the parties.

13 4. In February 18, 2000, Gen-Probe notified Vysis in writing that it intended to pay
14 royalties under the license of the '338 patent pending final resolution of the causes of action
15 asserted in this action, subject to a reservation of rights. A true and correct copy of this notice is
16 attached as Exhibit 3 to the accompanying notice of lodgment. Gen-Probe made four quarterly
17 royalty payments for calendar year 2000 and made the royalty payment due for the first quarter of
18 2001. Each of these payments was made subject to a reservation of rights. A true and correct copy
19 of one of the letters transmitting a quarterly royalty report is attached as Exhibit 4 to the
20 accompanying notice of lodgment.
21

22 5. The payment under the Collins patent license for the second quarter of 2001 will be
23 due by August 30, 2001. As of the date of this declaration, Gen-Probe intends to continue making
24 royalty payments, under a reservation of rights, pending the final resolution of all issues raised in
25 this action.
